

**URGENT attention:** Principal, SMT and HODs

As we approach the end of 2008, it is time to plan for 2009.

This is a very stressful time for all educators and HODs alike. While still busy finalising 2008, we already need to focus on 2009.

The good news is that the new updated **SATeacher NCS Resource Pack 2009** is now available.

The **SATeacher NCS Resource Pack 2009** includes:

- **52 Files – one per Grade per Learning Area**
- **2009 Teaching week calendar** for inland or coastal schools
- Complete week-by-week **Learning Programmes for 2009** (Foundation Phase, Intermediate Phase and Senior Phase Grade 7)
- **Work Schedules** for all Learning Areas, Grade R to 7
- **Assessment Programme** and Tasks for all Learning Areas, Grade R to 7
- Updated **worksheets** for all activities - more than 3'800 activity sheets
- Available in English and/or Afrikaans
- **Helpline** and website support
- **PLUS** access to download of lesson plans during 2009
- **All developed in line with the DoE policy documents and Assessment Protocol**

Over the years the NCS Resource pack has been used by more than 500 schools nationally with great success and with very positive feedback.

To obtain the NCS Resource Pack 2009 there are three options:

**(IMPORTANT – these options are only available until Friday 30<sup>st</sup> November 2008.)**

**Option A: Hard Copy only.** With this option you will receive all the Learning Programmes, Work Schedules, Assessment Programmes and more than 3000 activity sheets (Grade R to 7) for 2009, packed in 52 files – one file per Learning Area per Grade. (*Grade 8 and 9 will be available in the fourth term of 2008*).

**Option B: Hard Copy and CDs.** With this option you will receive the same as in option A, **PLUS** the electronic version of the files that will enable you to print it from your computer, **PLUS** access to the SATeacher members' only site, from where you can download updates and lesson plans during 2009.

**Option C: CD copy only:** With this option you will only receive the electronic version of the files that will enable you to print it from your computer, **PLUS** access to the SATeacher members' only site, from where you can download updates and lesson plans during 2009.

**IMPORTANT: Due to the demand we are working on a strict first-ordered-first-delivered basis.**
